Please see court's file 102-29-2 post below. The Registrar may send Statis that Amildars should exercise as little as possible magesterial powers under the Scheme of Separation. But as it is intended to make the Village Panchayet an institutions young and in the futures of time to make it a Self-governing institution, it may be of advantage to give the Amildars who will be in touch with the local affairs, the power to try cases of prosecutions under the V.P. Regn, at any rate during the experimental stage and the amendment is by giving powers and he deals with these special circumstances. The Govt is agreeable to the proposal.
